Ludwig E. Faber Commemorative Book

This book, which contains 35 watercolors, eight original drawings, four etchings and three photographs, is in our hands and has been paid for with the \$8,000 grant from the E. Roy Knoppel Charitable Trust. Review of our Club history indicates the book was presented to PSC President **Ludwig E. Faber** in 1901 as a wedding present. We are in the process of pursuing a display case to house this important part of our history.

Entertainment

Garden Party

With summer rapidly approaching and the exhibition calendar being full, the annual Garden Party/Wine Tasting event will be held Sunday, September 8th from 2 to 5pm. A modest entry fee of \$15 will cover the Garden Party expenses. If you would like to help with the planning or bring goodies to munch on, please contact **Arthur Ostroff**, *Entertainment Committee Chair*. If you happen to play guitar or some other musical instrument, it would be a wonderful addition to this event. 215-755-5068

Exhibitions

The remainder of the 2002 exhibition season will continue as follows:

High School Students Juried Exhibition

The 2002 School District of Philadelphia High School Invitational (juried) Exhibition will be held at the Sketch Club from May 10 to 19. This show focuses on the depth of aesthetic talent that exists within the city's public school system. These are the Artist's of the future, our imminent peers. It is truly incumbent that we, the artists of the present, show our genuine interest and enthusiasm for their work. The closing reception will take place on Sunday, May 19, 2 to 5 pm and I'm really counting on all of you for your support!

Workshop Show

The Workshop Exhibition is one of most important events held at the club. This years show will run from May 26 to June 30. The reception is scheduled for Sunday, June 2, from 2 to 5 pm. Please make an effort to attend the reception and visit the exhibition often, with family and friends. Sculpture by **George Fuller** will be included in this show!

2002 Members Exhibition (Non Juried)

With great kindness and sentiment for this organization, **Terry Newman**, has agreed to let us hold the 2002 Members Exhibition, at Newman Galleries from June 8 to 29th. The reception will take place on Saturday, June 8, from 1 to 4:00 pm. This is a real opportunity for PSC members to exhibit their BEST pieces in a gallery that is not only vibrant but aesthetically active! Your work will be visible six days a week to a broad range of the art buying public. The exhibition prospectus is contained in this issue of the *Portfolio!* – **Steve Iwanczuk**, *Exhibitions Committee Chair*

Legacy Show

In the "Belated but Good News" department, the 2nd Annual Legacy Show, held in December 2001, was again a smashing success. Thanks to the super-generous, participating members **Dick Cohen**, **Bob Jackson**, **Alan Klawans**, **Jane Hilles**, **Sam Maitin**, **Pete Quaraccino**, **Andrew Snyder**, **Nancy Catallo** and **Marta Bartolozzi**, \$1,375 was raised for the dear ol' place where we've all spent 2nd Friday evenings. The Legacy Show is an annual event held during the Christmas party. The members of the club are asked to donate any piece of work to the cause with a selling price of \$75 per piece. Proceeds will benefit the ongoing club restoration. – **Donald Meyer**, *Legacy Show Chair*

"It's simple and gratifying. Just start a 'Legacy Corner' in your studio during Spring cleaning and let it grow until Christmas – and voila! The 2002 Legacy Show will top the past two years combined!" – Donald Meyer

T-Notes

Report of the Assistant Treasurer: As of 4/22/02 the Sketch Club is owed more than \$6,000.00. This amount consists primarily of dues that have not yet been paid. The Club depends on dues payments to cover the costs of maintaining the Club premises as well as the costs of supporting Club activities. I urge you to forward a check as soon as possible, if you have not yet paid your dues. Please send the check to the Club, to the attention of the Treasurer. Thank you. – **Robert Mezey**, *Assistant Treasurer*
